President's Message

Deliverance Charities believes in developing, inspiring and empowering for the economic future. Developing low income families to gain a better education status, learning everyday life skills on parenting and financial lessons. Motivating young adults to achieve tasks and goals, bringing them closer to respective figures to have influence and stimulate their dreams. Empowering and supporting communities and to establish opportunities for everyone. As we complete the first year, we've done so much work to structurally build the organization and so far, we're proud of it. Because of our transparency we're listed as Guidestar Silver Participant and finally we are officially Tax Exempt Public Charity. To better reflect our goals and strategy towards our approach in the community, we've changed our mission to **develop, inspire and empower the community**.

And base on those fundamentals, we've upgraded the rebuild program into development stages, a step by step process aiding the client to self-sufficiency in a much **effective** transaction. From referrals, verification of income, enrollment agreements, documentation recovery, career assistance, consistent practices, motivational empowerment and modernize life skills.

We've established partnerships with United Way of Broward County, Broward County Homeless Initiative Partnership and currently working on developing with Covenant House Florida, 2nd Chance Society, Susan B Anthony Recovery Center, Broward Outreach Center, Chapman Partnership, The Missionaries of Charity of Mother Teresa, Florida Immigrant Coalition, Carrfour Supportive Housing, Victim Response, Inc., Homeless Coalition Palm Beach County.

Next year, we plan on having our first client through the Rebuild Program. We believe we're ready to support and aid the communities of South Florida. Our vision is to deliver the best possible charitable solution to poverty; **spread economic growth**.

Best Regards,

Fanes Ferdinand
